AN INNOVATIVE CENTER CONSOLE

A truly seductive new model is joining the JEANNEAU range: a new day boat boasting a very elegant design.

The CAP CAMARAT 9.0 CENTER CONSOLE, the new flagship of the CAP CAMARAT line, can accommodate up to 11 people on board.

The CAP CAMARAT 9.0 CENTER CONSOLE ingeniously blends the performance of a fishing boat (with a hull designed by Michael Peters, single and twin engines for up to 2 x 250 HP), the comfort of a family fishing boat, and the design of a high-end model.

With a surprising interior, this new standout outboard model features an innovative and bright living space for comfortably spending one or two nights aboard.

With her strong personality, the CAP CAMARAT 9.0 CENTER CONSOLE offers multiple possibilities for fun outings on the water with family and friends. This new Center Console perfectly combines features for fishing and entertaining for tremendous versatility and the enjoyment of all on board!

Incomparable Comfort and Space On Board

The CAP CAMARAT 9.0 CENTER CONSOLE meets the standards of high-performance fishing boats of the latest generation, with exceptionally fluid movement about the deck.

Features such as the protective centre console, the wrap-around dashboard and seating for three facing the sea all enhance your comfort while under way.

Sidedecks without steps translate into an impressive ease of movement about the deck.

To the aft, a deep central bench seat, a true sofa, and two folding bench seats contribute to the feeling of spaciousness and comfort in the very large cockpit.

The spacious aft cockpit incorporates the latest evolutions of the line and can be configured to suit the programme for the day. It can accommodate a table to create a very nice cockpit saloon, but it can also be transformed into a very large sundeck.

Designed for relaxation and well-being, the CAP CAMARAT 9.0 CENTER CONSOLE features a superb forward cockpit! Comprised of a true daybed and forward saloon, entirely transformable into a vast sundeck.

A Modular Layout for Fishing and Family Fun

The extreme modularity of the CAP CAMARAT 9.0 CENTER CONSOLE adds to the dedicated equipment designed for a diverse array of activities. The leaning post contains a fully equipped exterior galley (refrigerator, faucet, gas burner...).

Fishing net storage, rod holders, live wells and diverse additional storage lockers facilitate fishing activities.

The aft cockpit opens onto a very large storage locker that can accommodate a generator or an air conditioning unit.

The daybed can be lifted up to provide direct access to the cabin, bathing the interior in light!
